The Ewoks live in the forests of the planet Endor.

Ewok homes are high in the tree tops.
This Ewok protects the village.

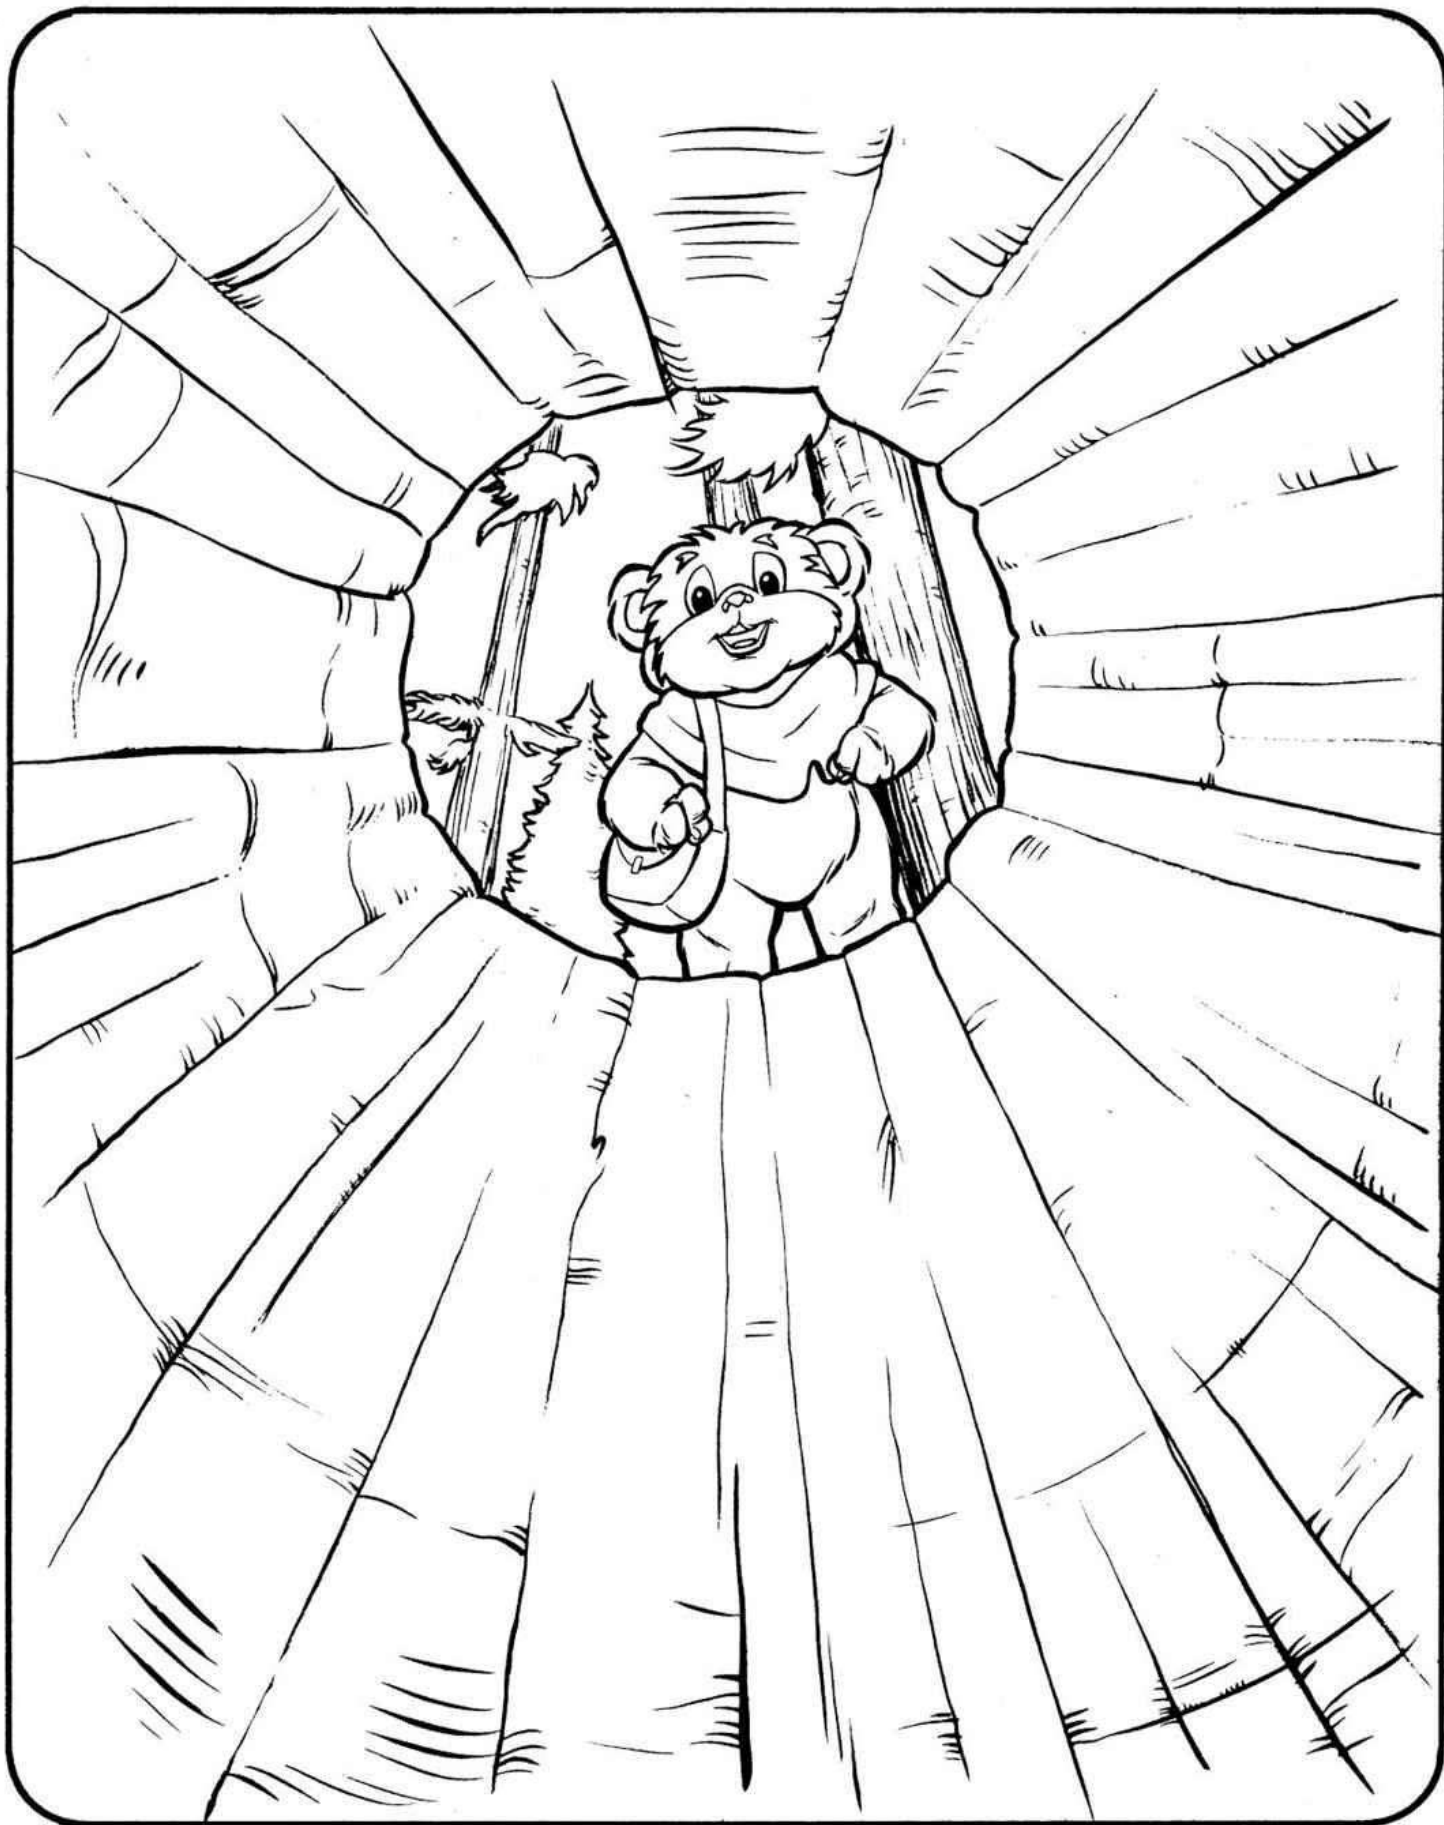

The planet Endor has two suns.
It is a beautiful morning on Endor.

Princess Kneesaa and Wicket run on a bridge
between the trees.

Kneesaa says, "Yub Nub! Wicket. Let's jump into the log."

Wicket shouts, "OK, Kneesaa! Here I come."

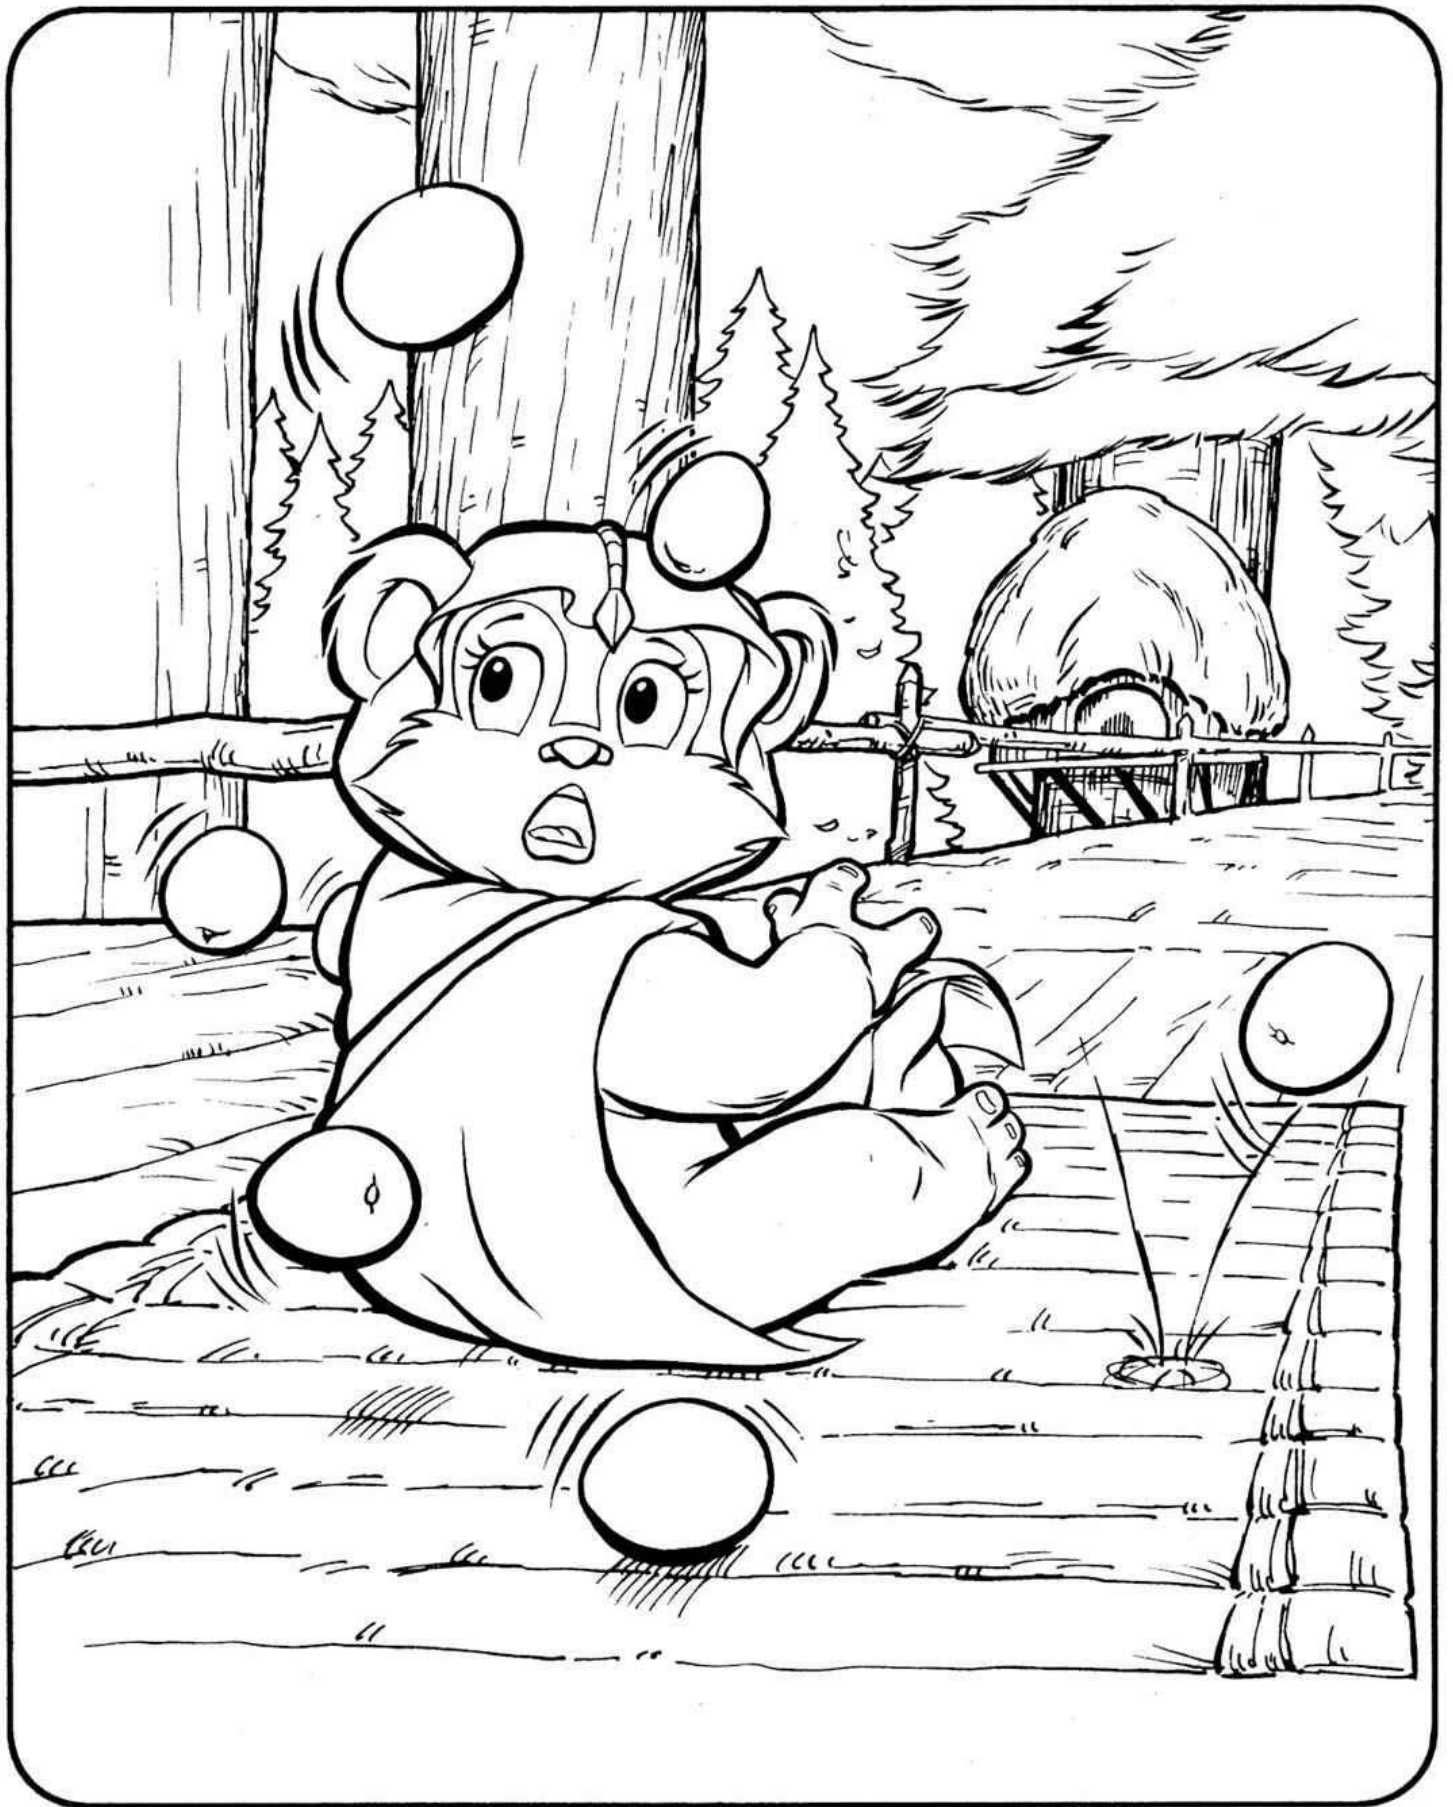

Yahoo! Berries fly out of their baskets.

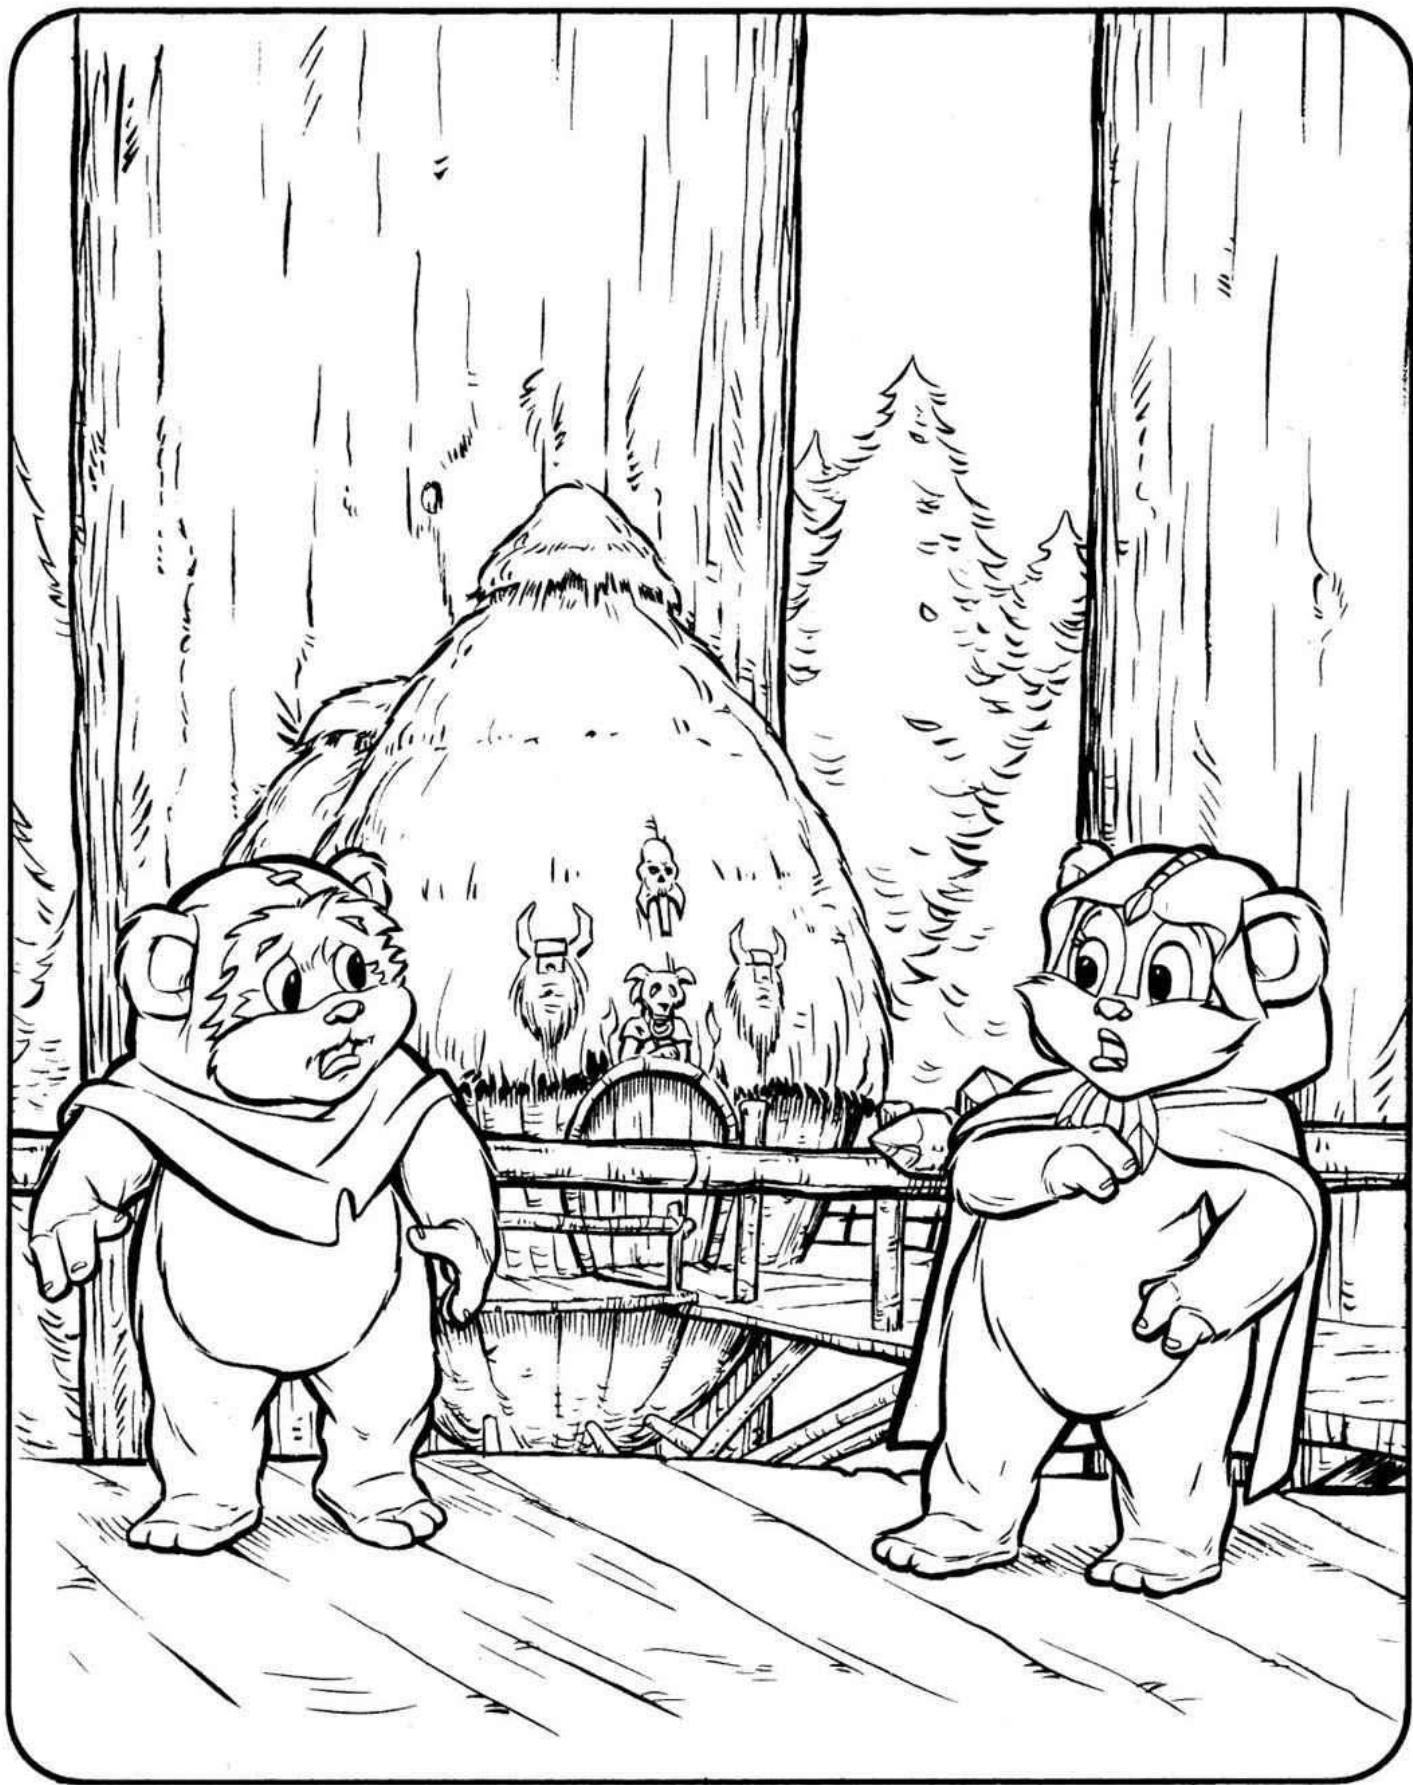

Kneesaa bounces out of the log. Ooh! Ouch!

Here comes Wicket!

Wicket warns Kneesaa that the fruit is going to splatter her.

Wicket and Kneesaa walk through the village.

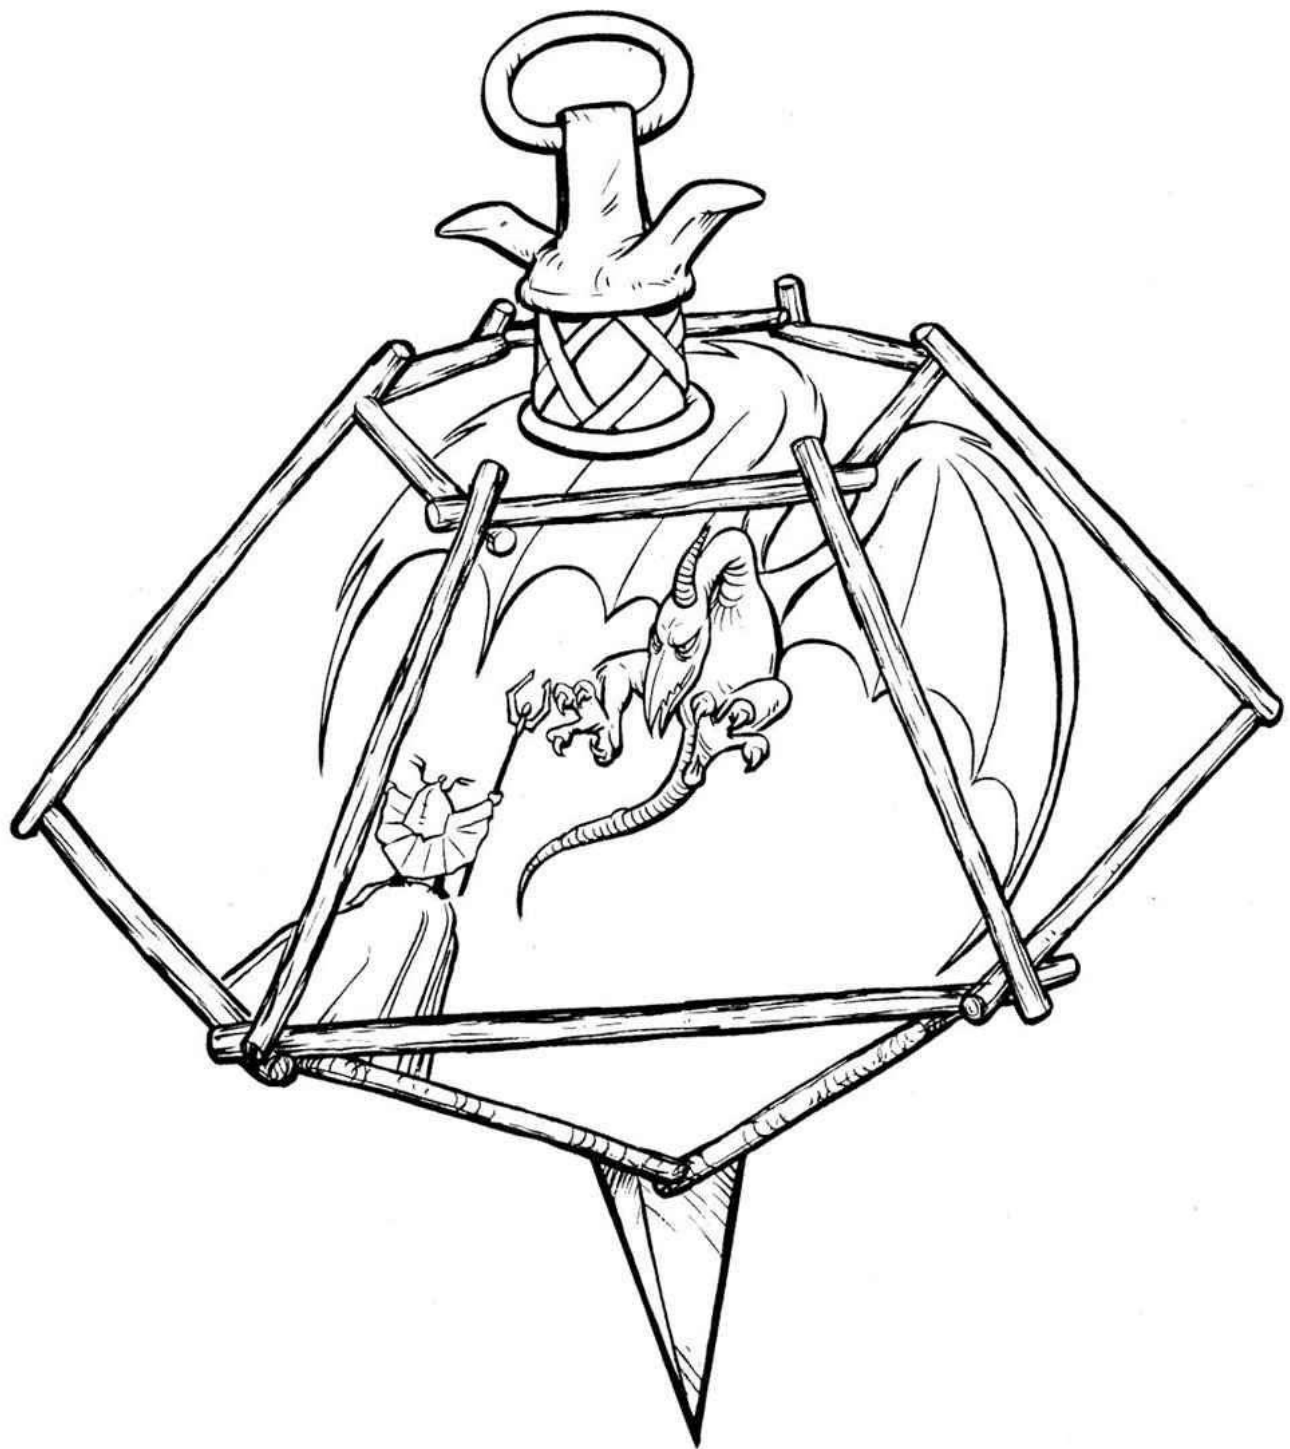

They are going to get some special soap to clean their fur.

Aunt Zephee is bathing the Baby Ewoks.

The Ewoks look inside Logray's hut after they hear a scary screech.

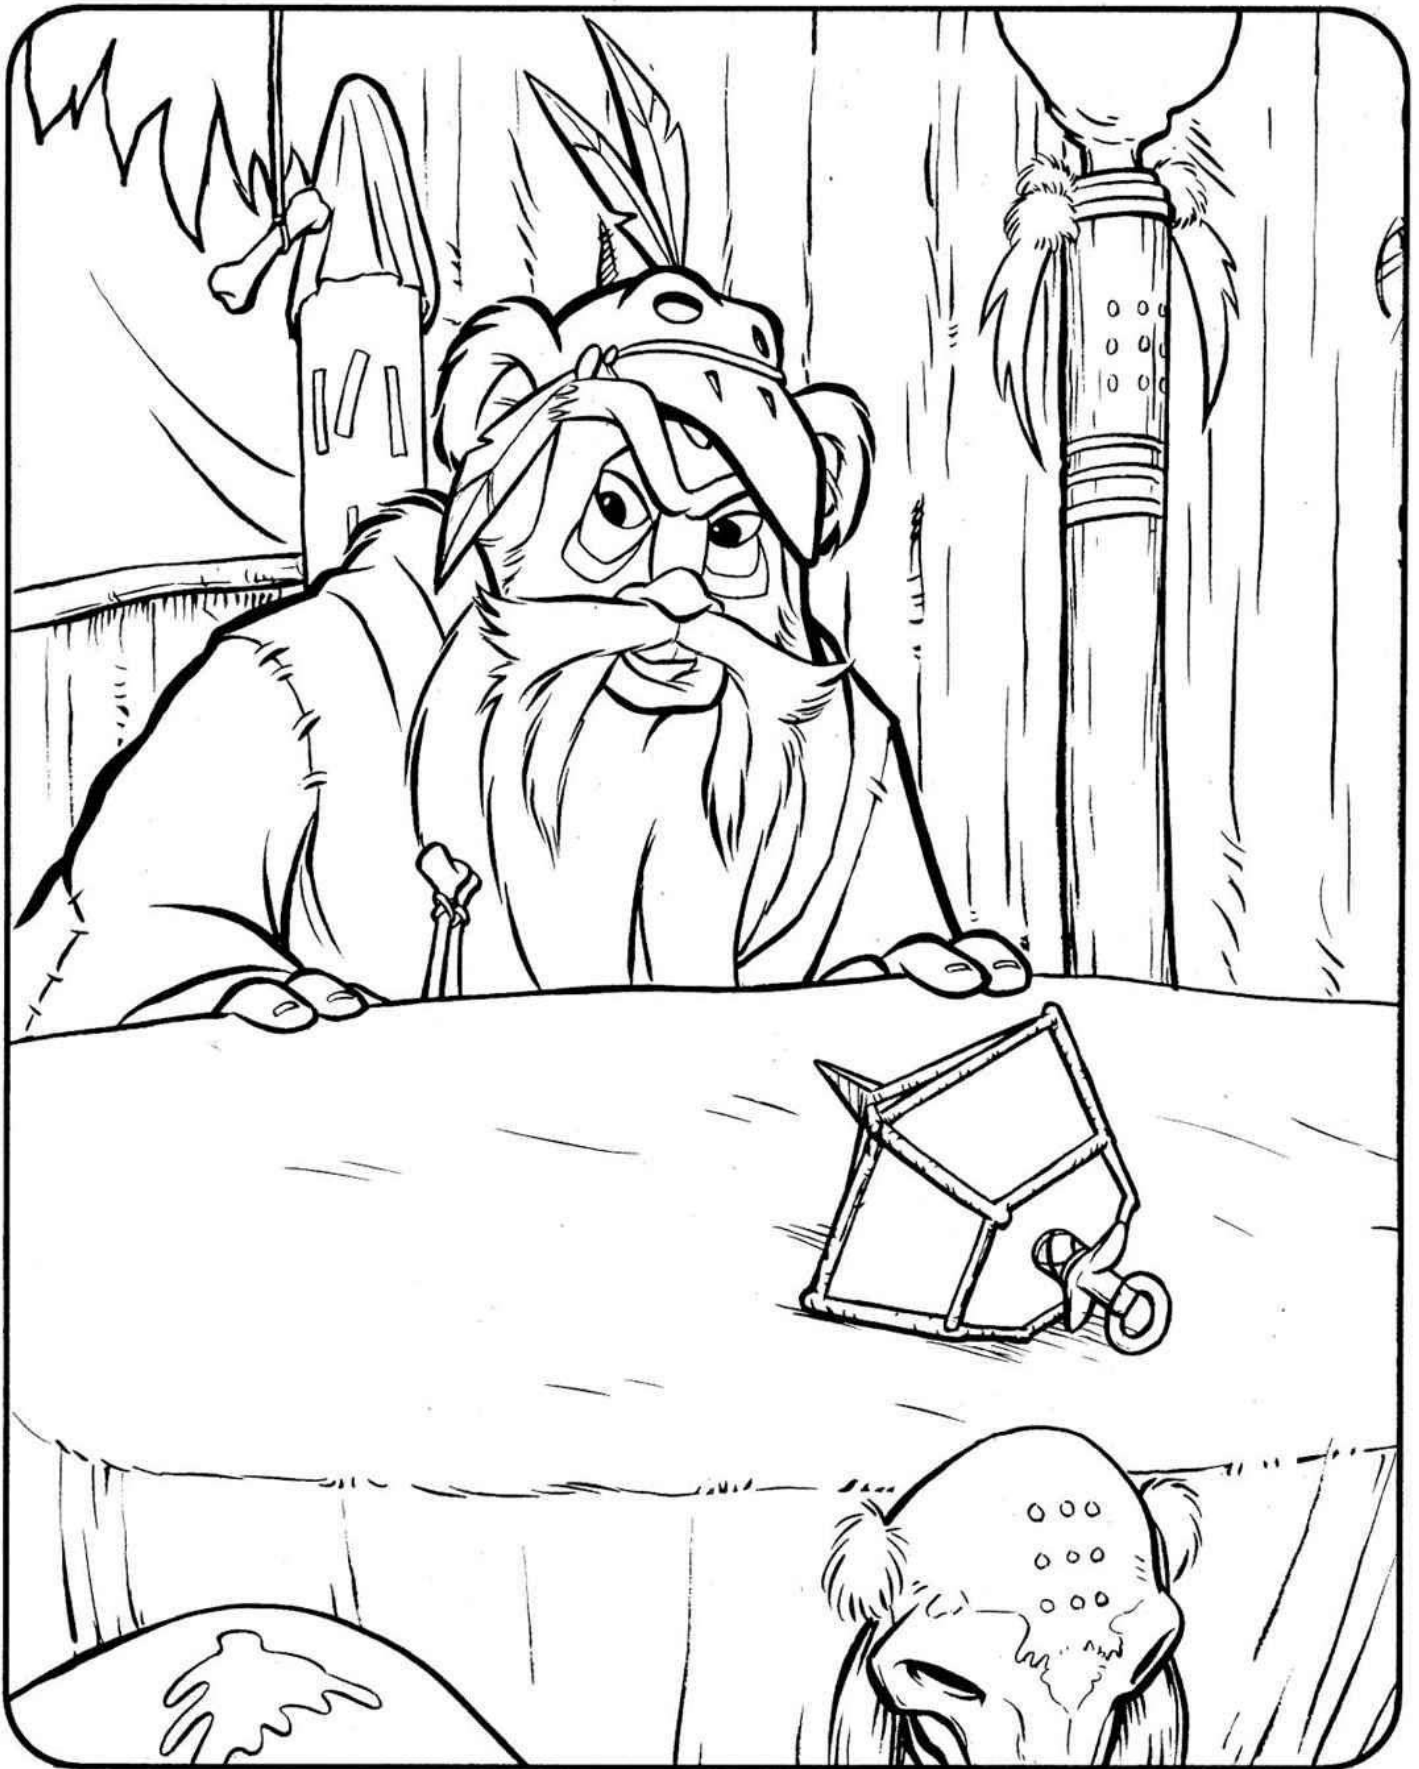

The flying Mantigruue appears in the magic lantern.

Logray warns that the Mantigree is coming to eat the berries from the Sunberry Trees. Without the berries, many Ewoks get sick.

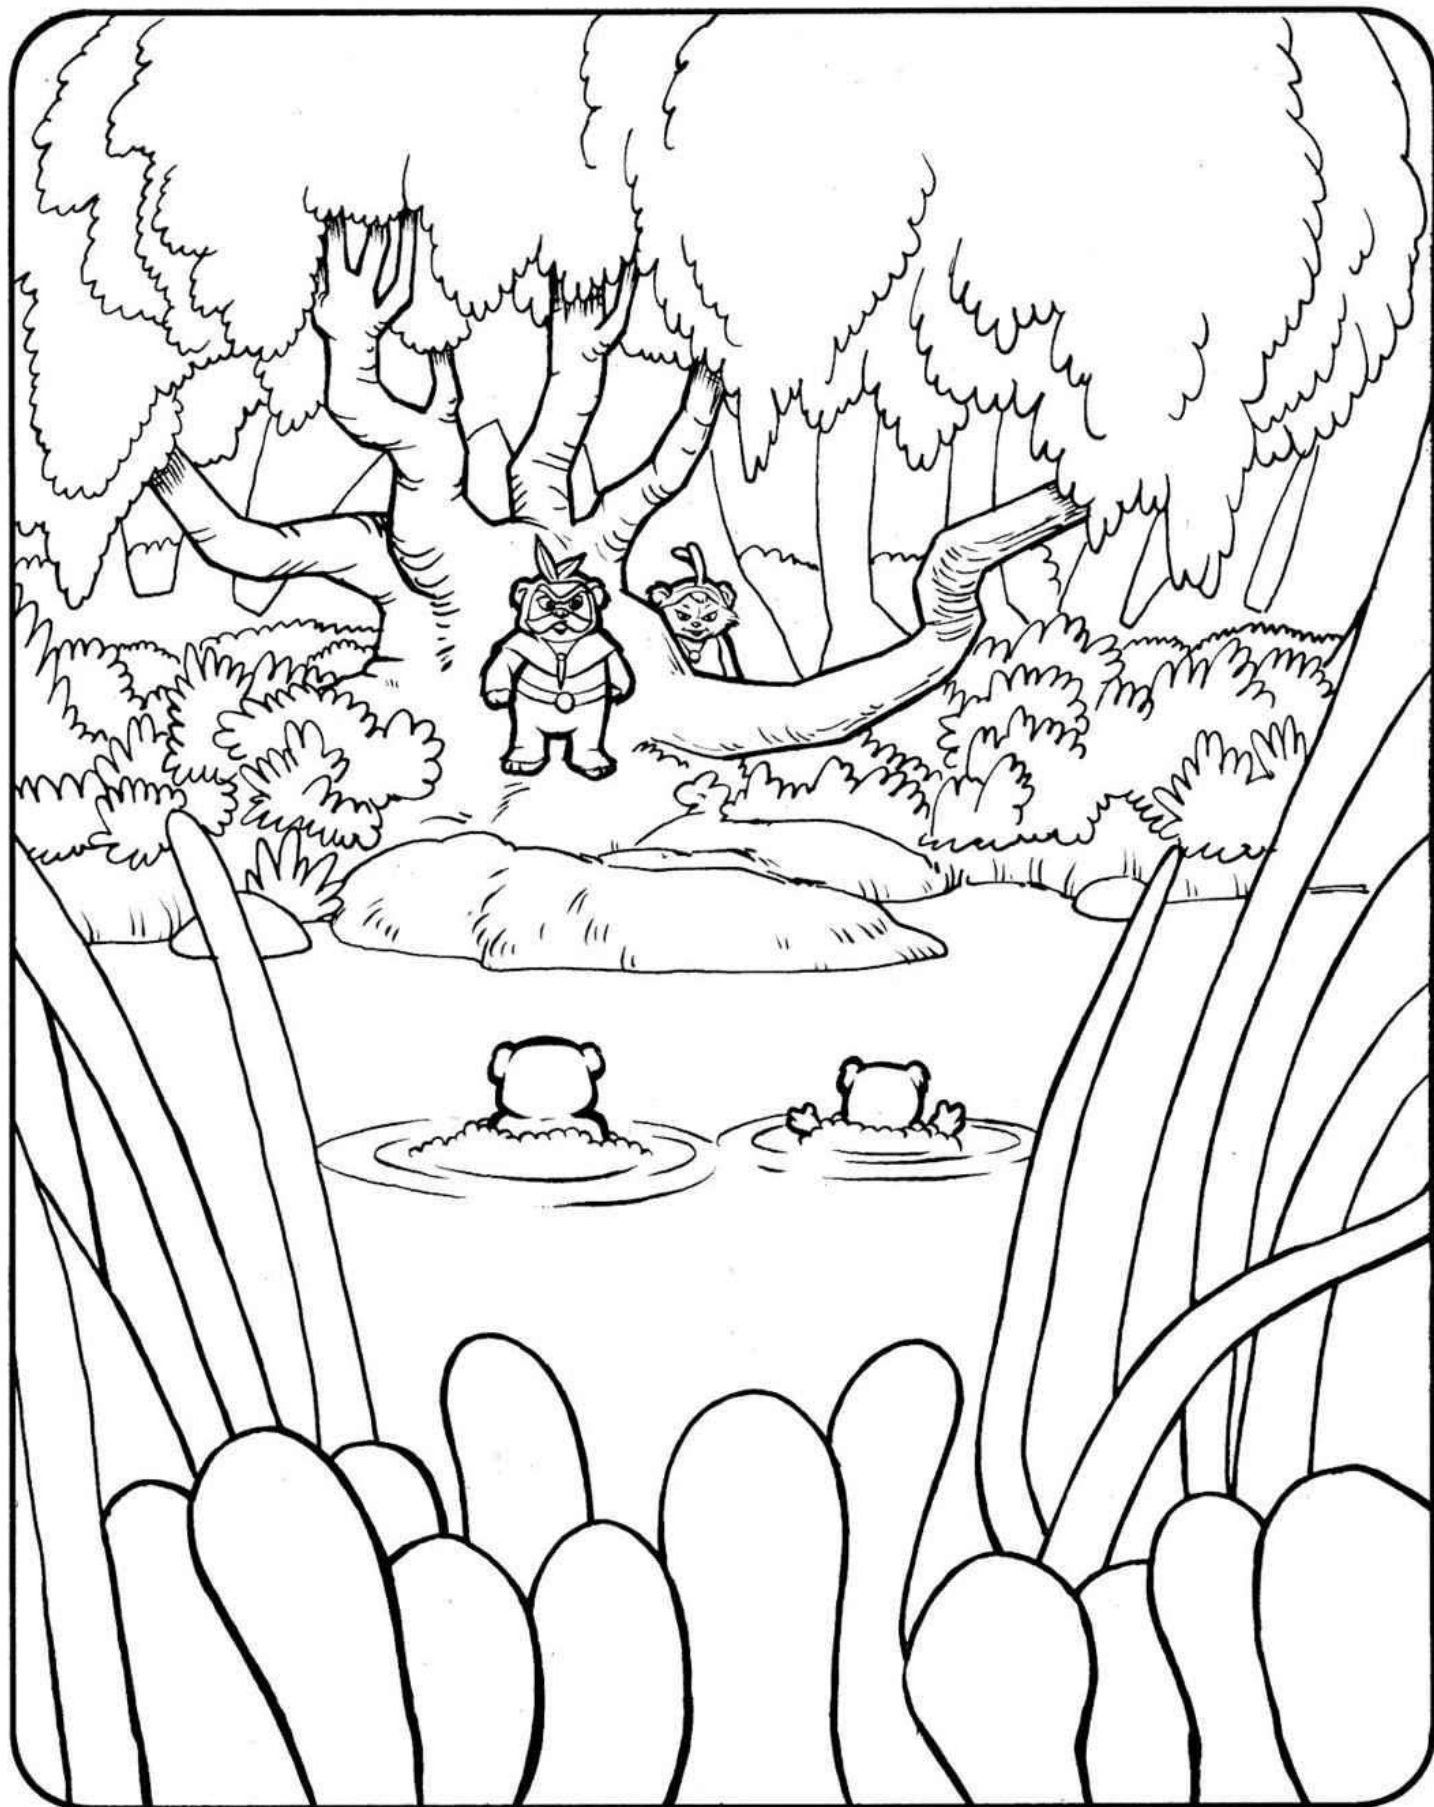

"I'd like to drive that beast away for good," Chief Chirpa shouts.

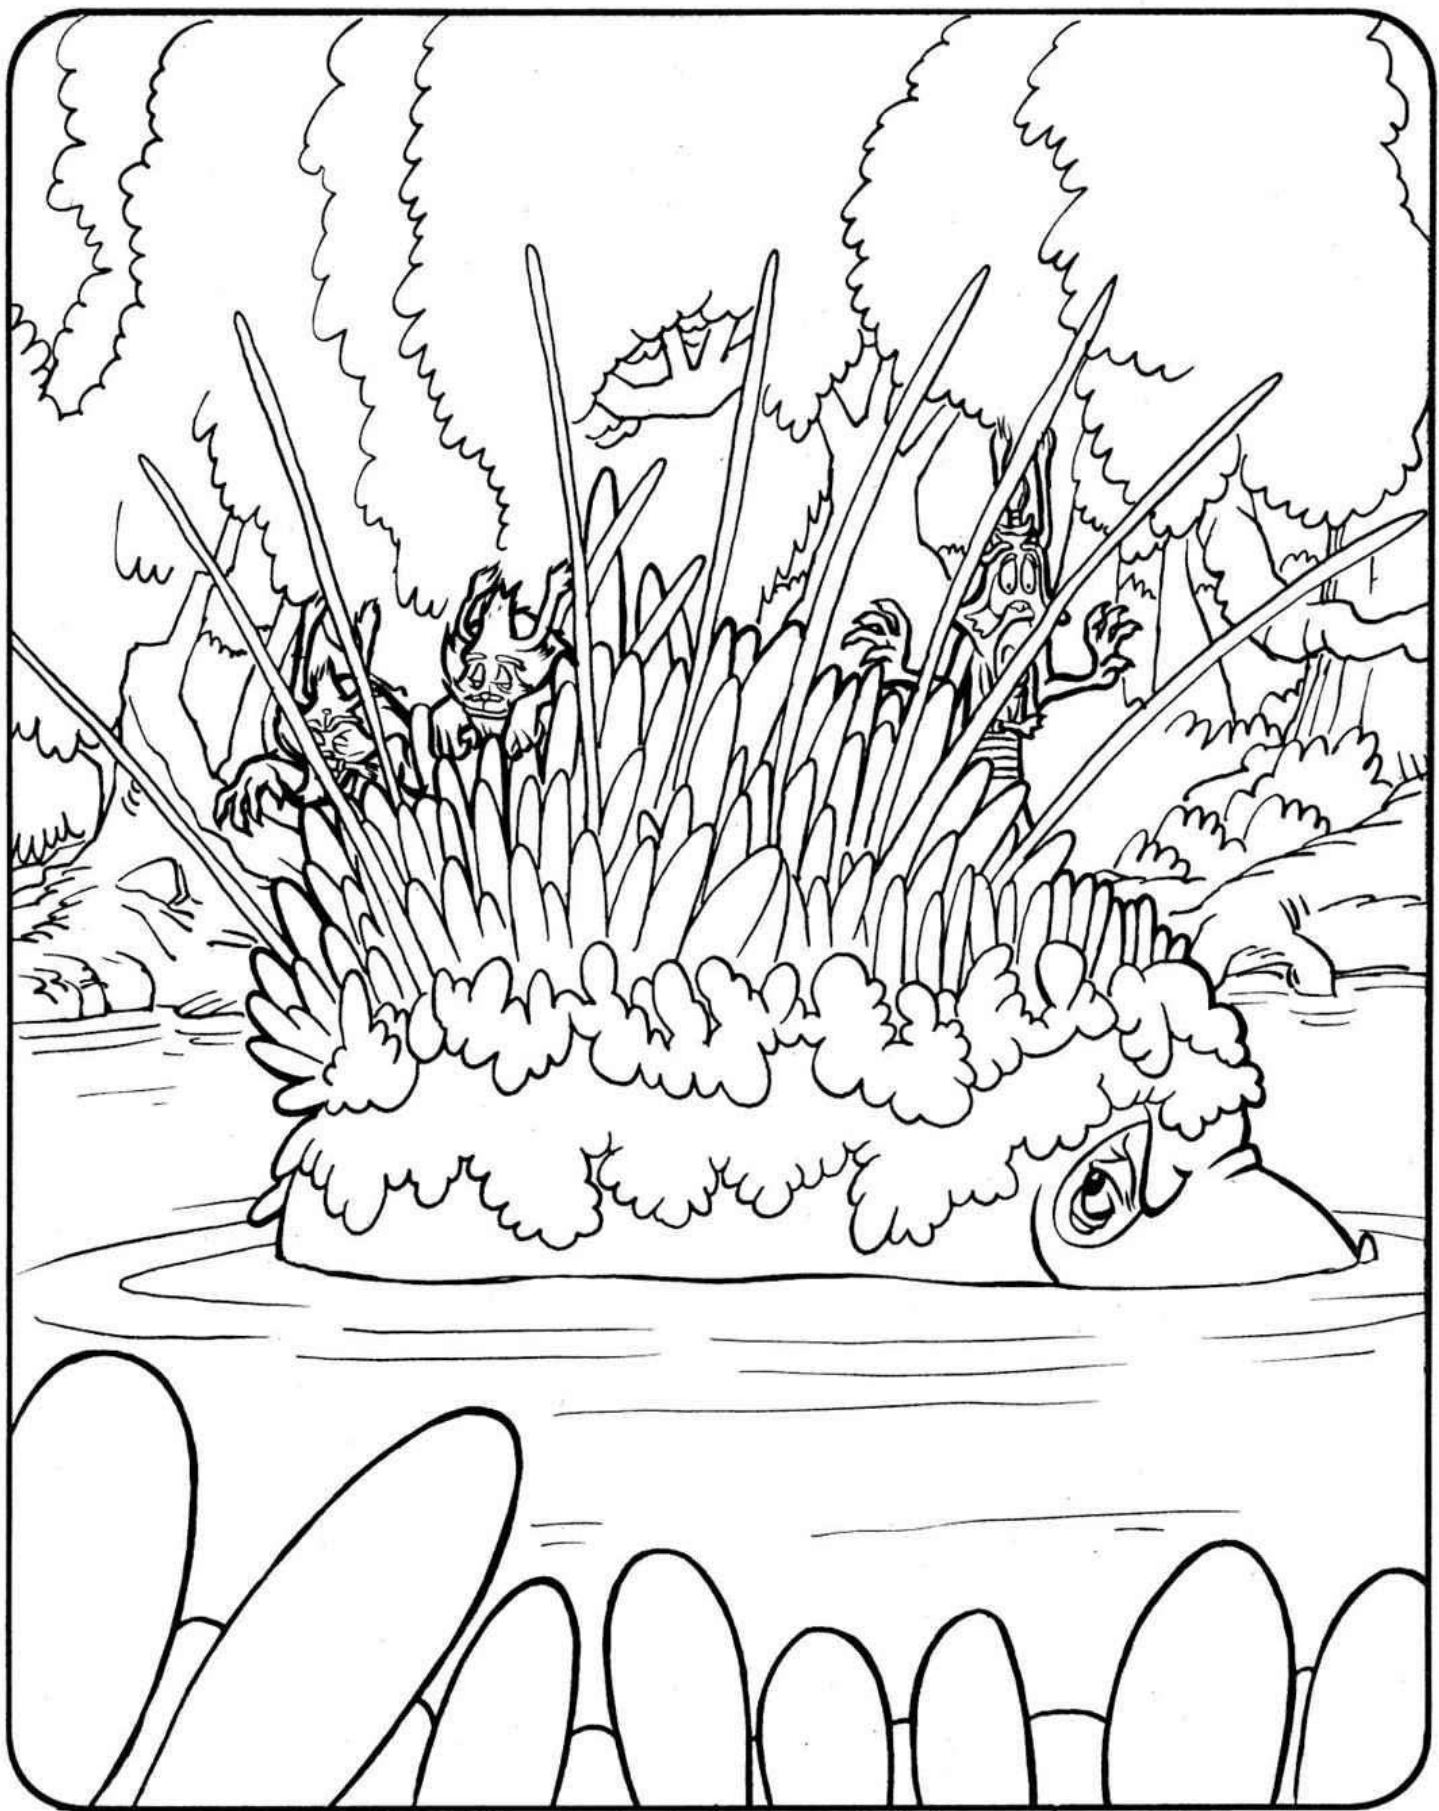

Logray talks about using his magic soap to fight the Mantigru.

Logray shows that his magic soap has the power to make anything it washes invisible.

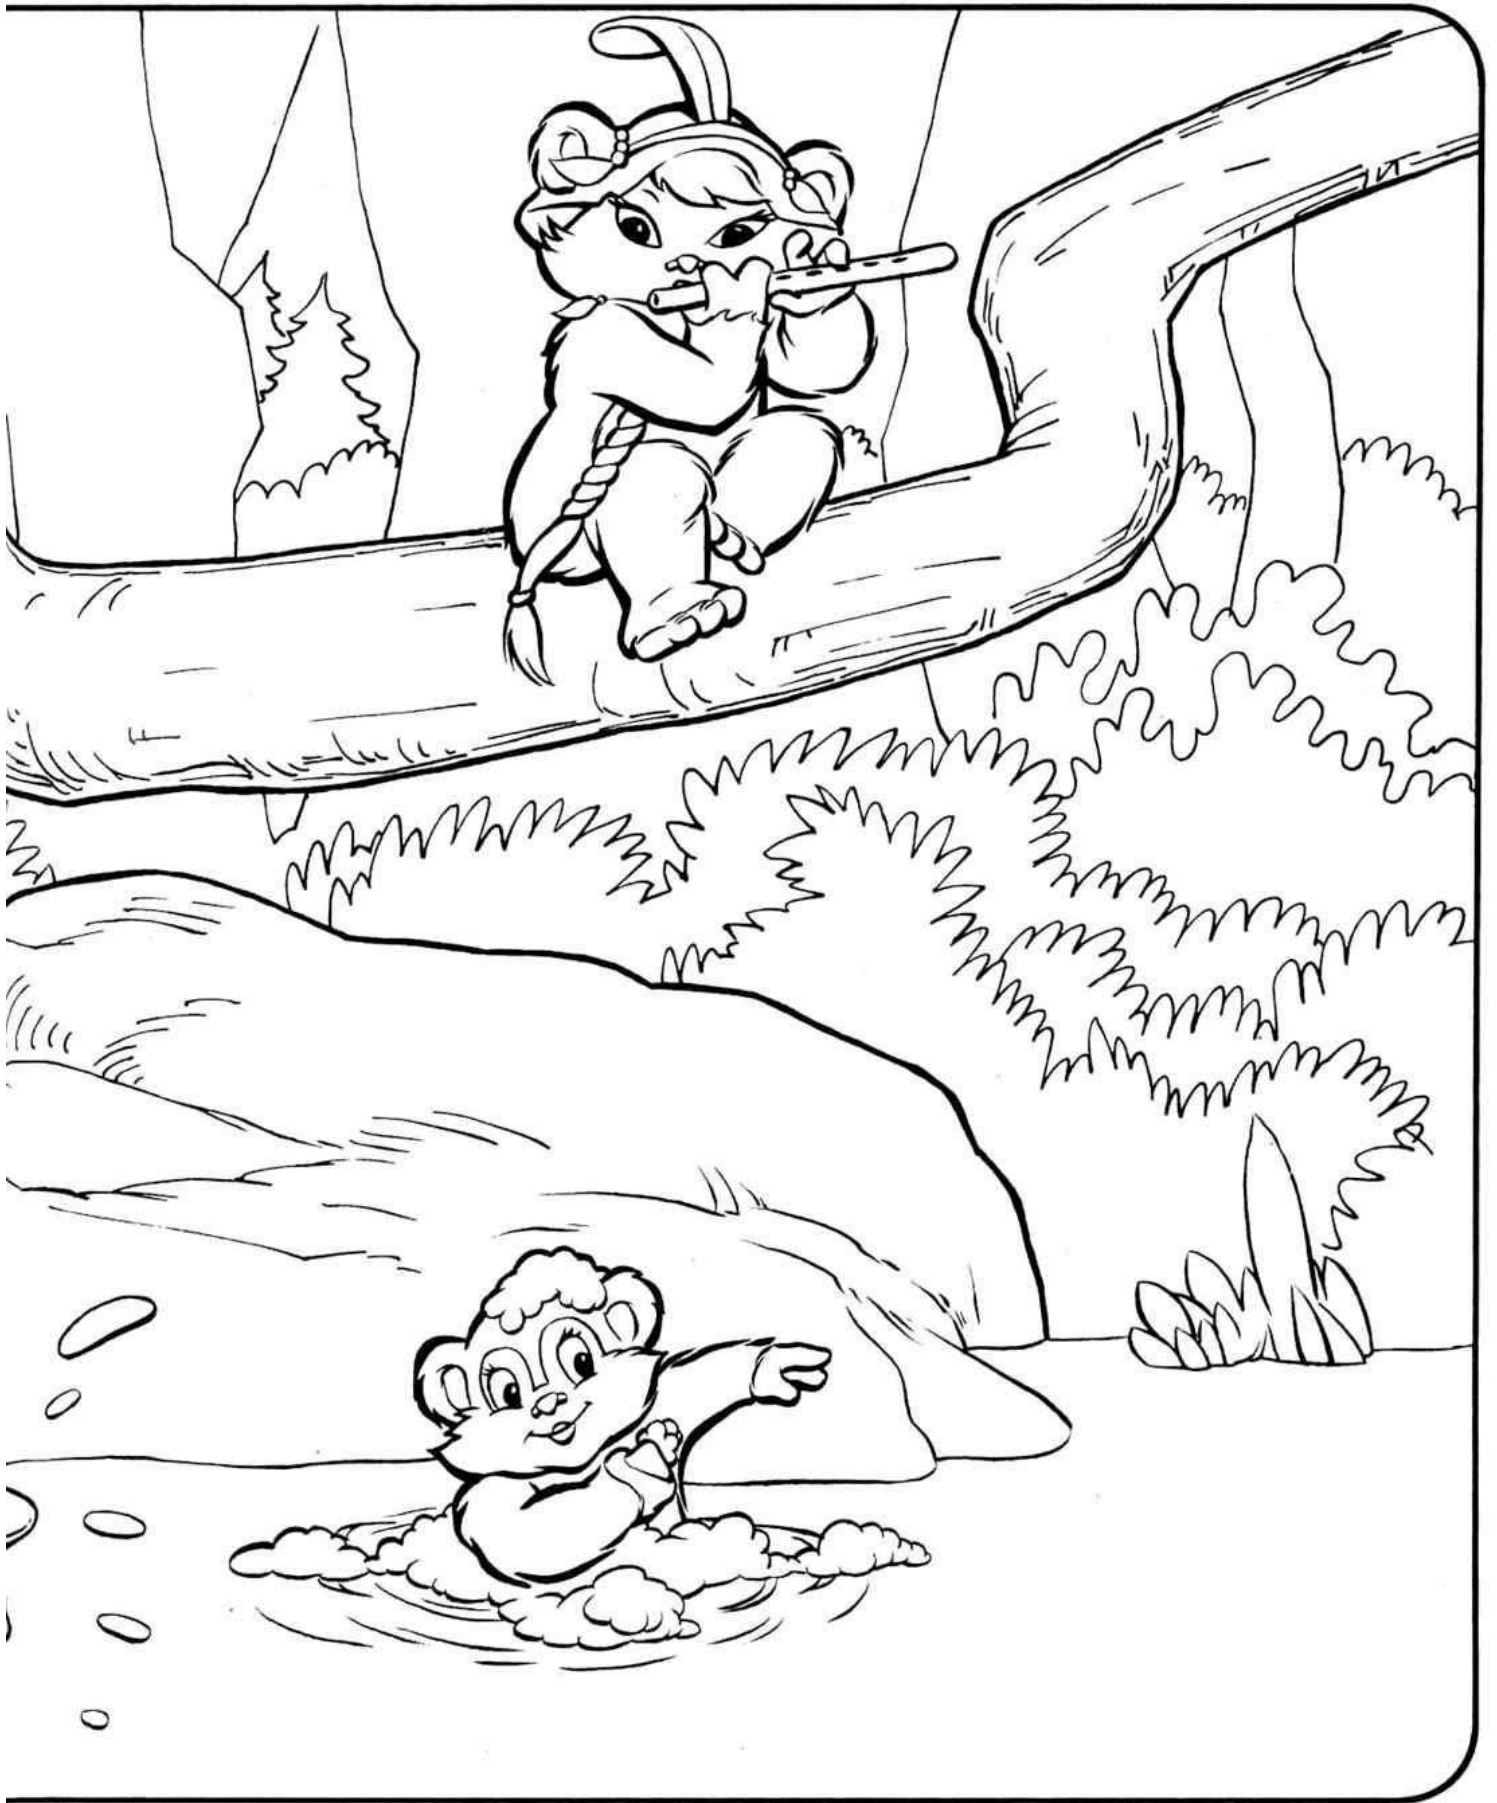

Wicket and Kneesaa call to their friends.
"Hi, Paploo! Hi, Latara! Come on in."

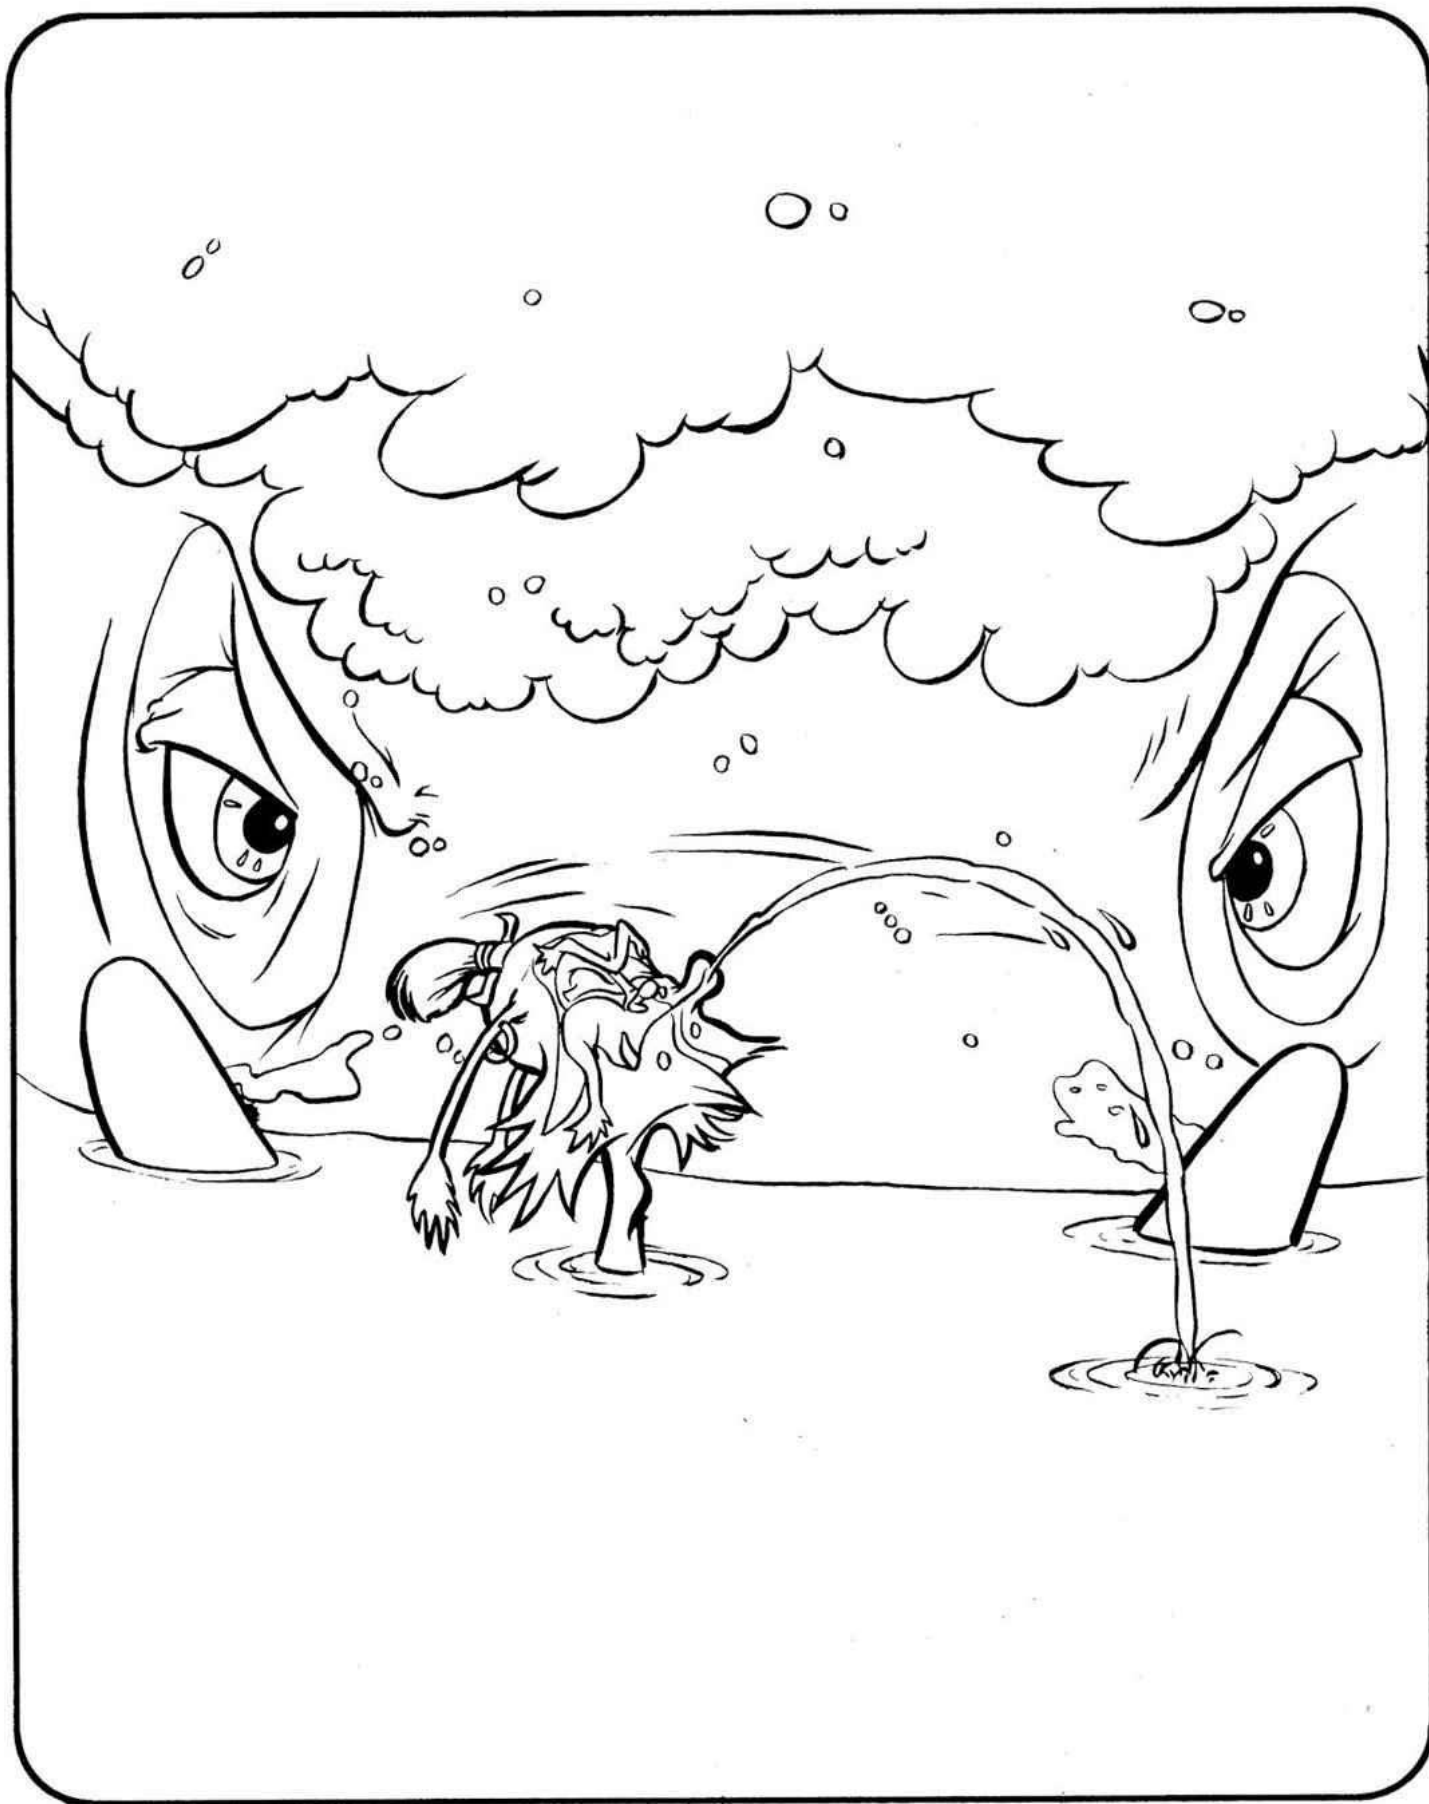

The Duloks fall in the water as they spy on the Ewoks.

Paploo jumps in the water with his friends.

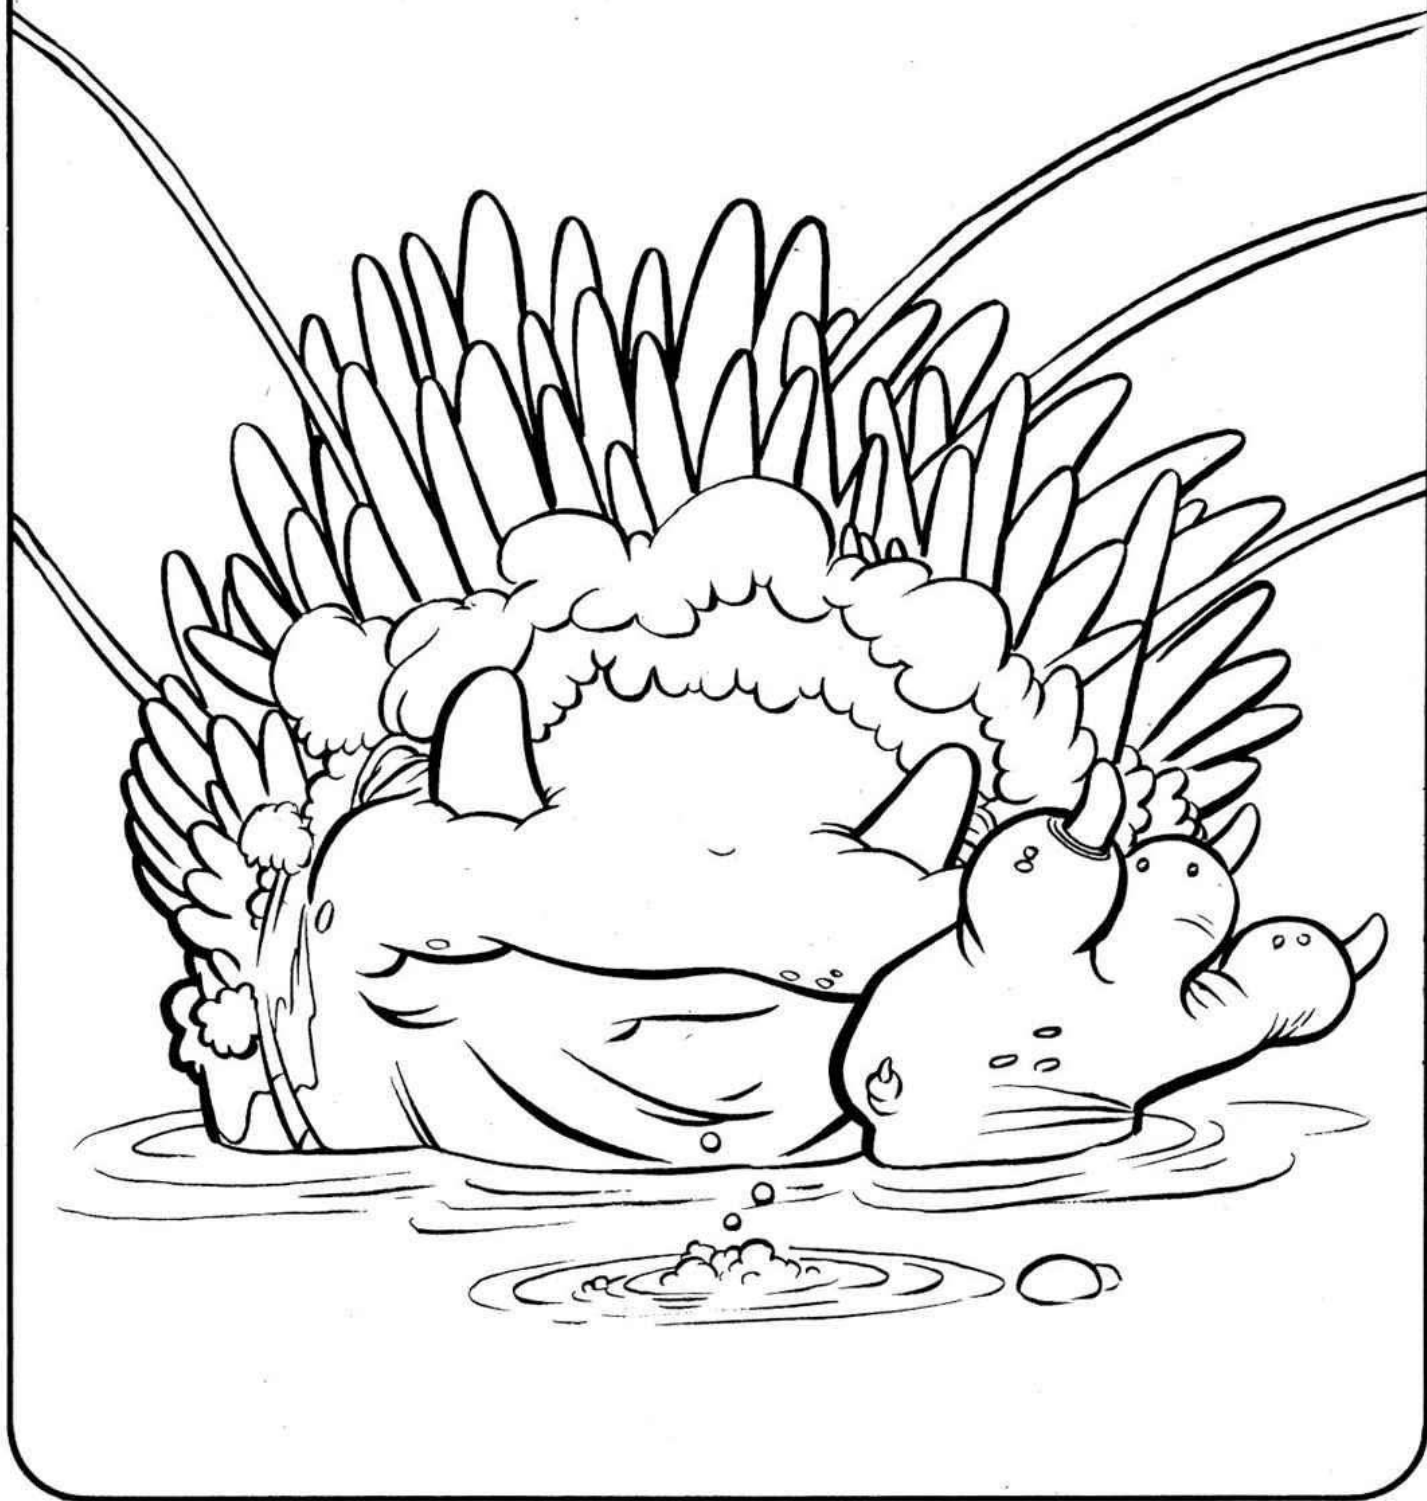

The Ewoks wash with the special soap that keeps their fur clean.

The Dulok Shaman gasps for air.

The Dulok Shaman didn't know that he was sitting on the back of a Swamp Creature. "Eeeek!" he cries.

The Swamp Creature goes back to sleep.

King Gorneesh is the leader of the Duloks.

He is angry because the Duloks did not get the special soap from the Ewoks.

King Gorneesh shouts, "Get that soap!"

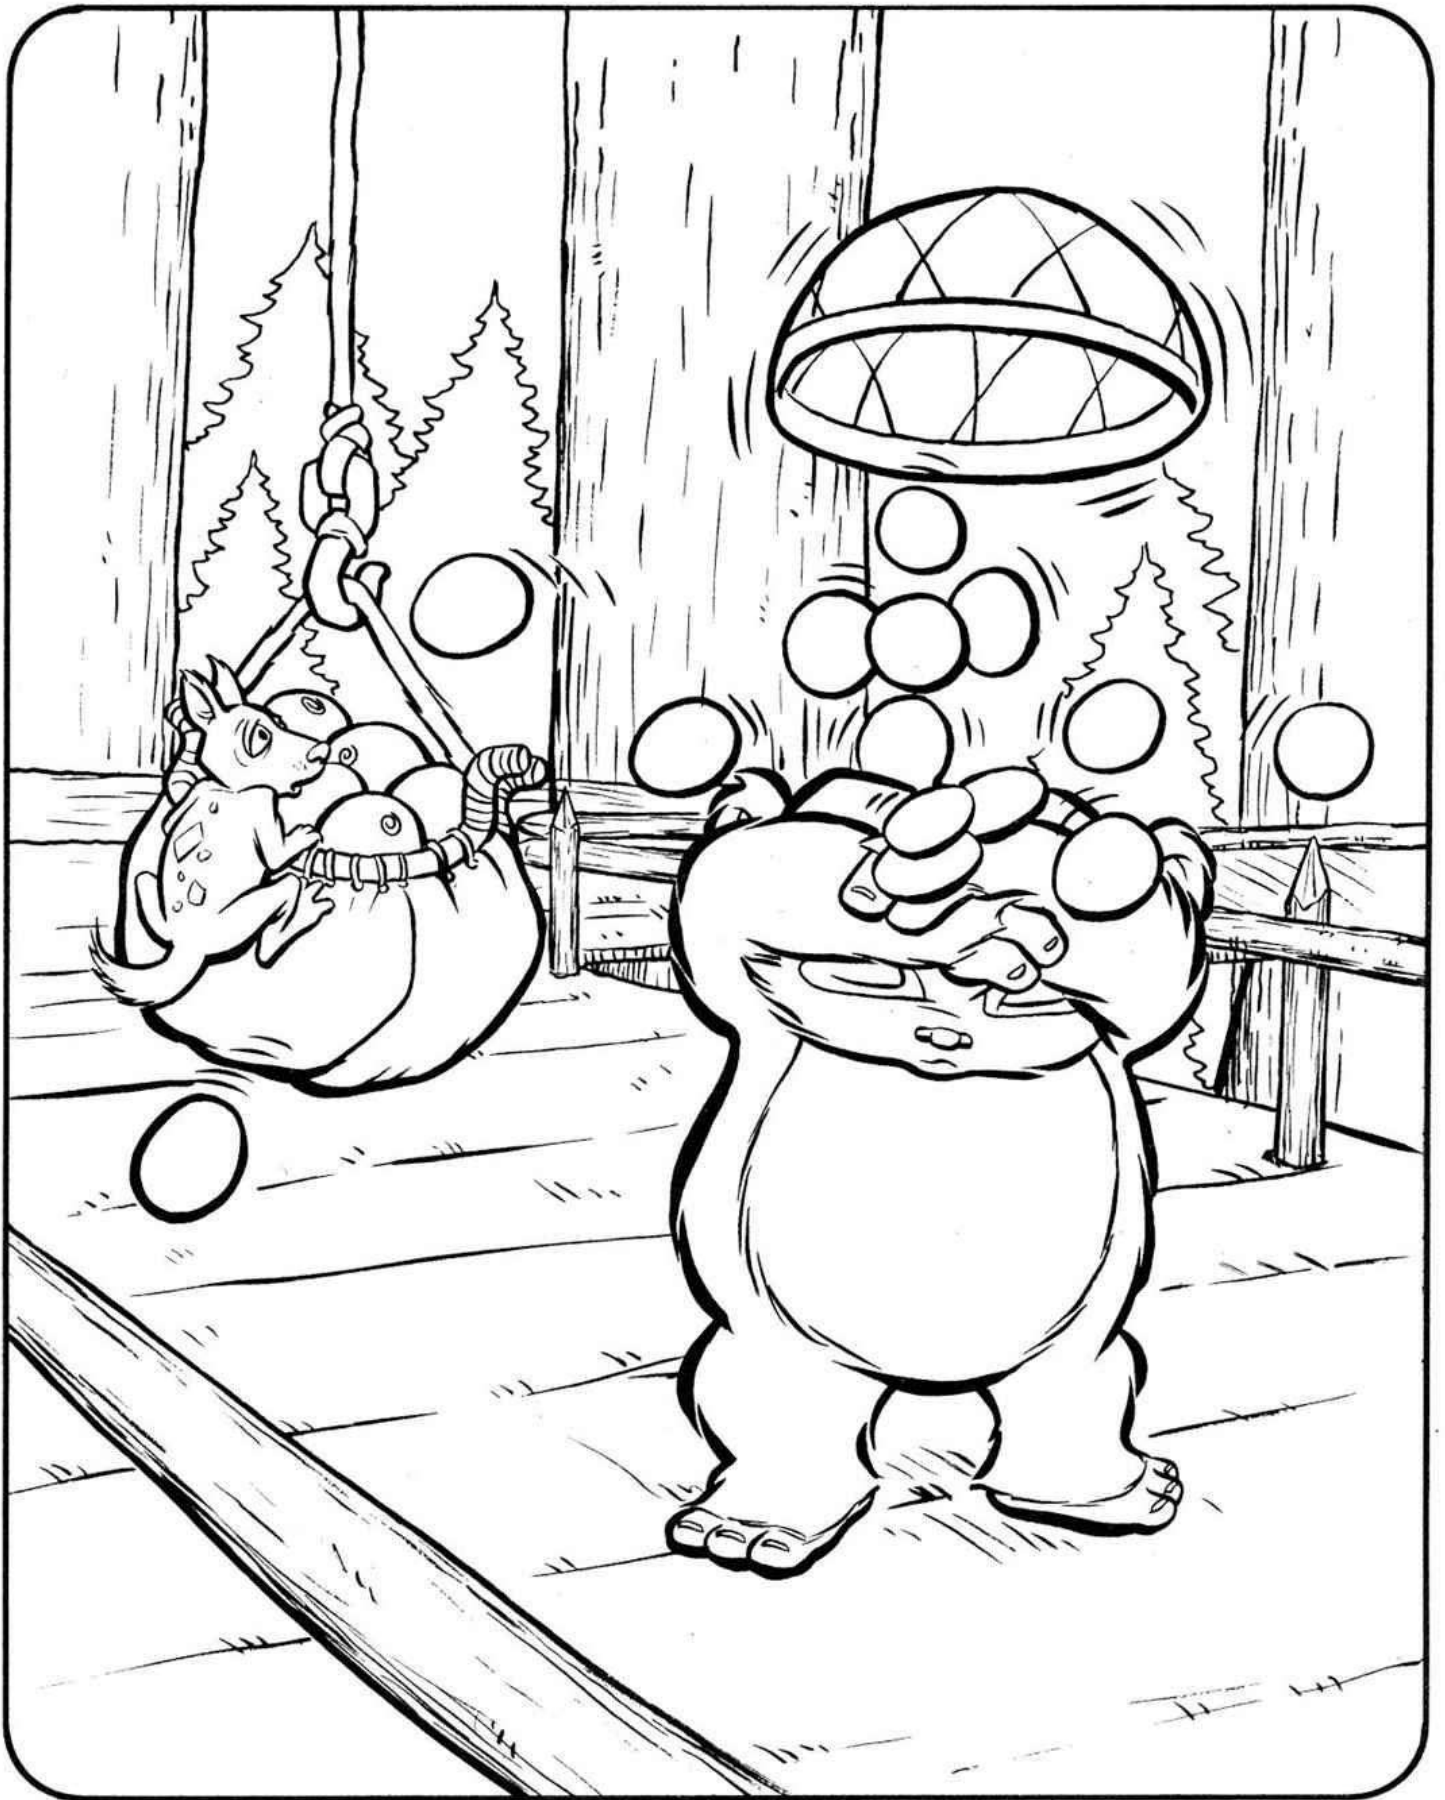

A Dulk steals soap from Logray's hut.

Gorneesh starts to disappear as he washes!
The Duloks took the wrong soap.

Zephee is carrying a basket of vegetables.
All of a sudden...

Someone takes her basket and dumps it on her.

The Duloks have used the magic soap and have come to the Ewok Village.

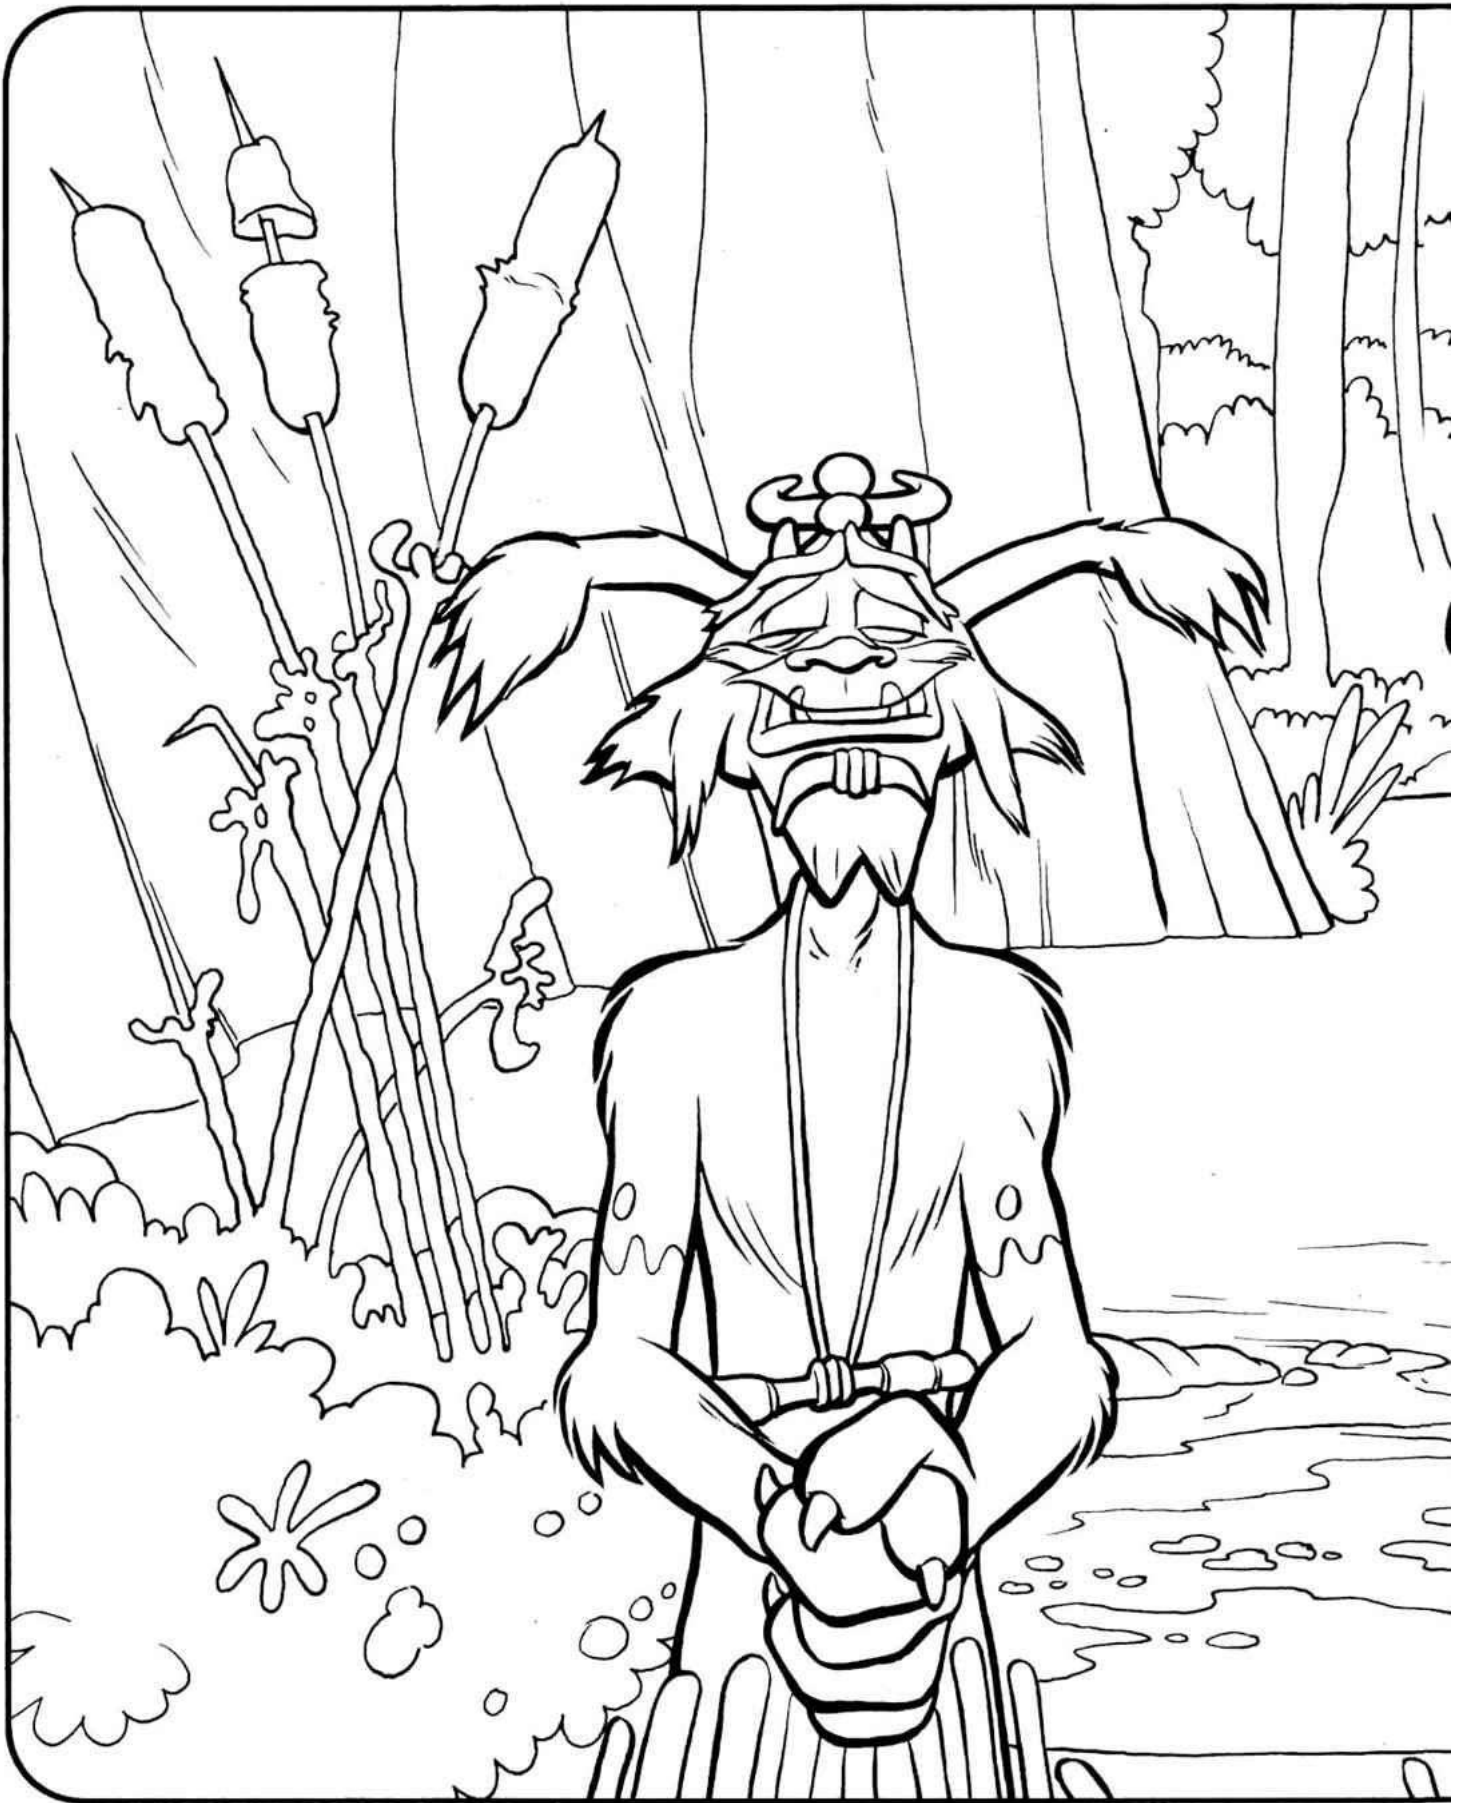

Willy and Weechee try to fight the invisible Duloks.

Logray runs out of his hut to stop the Duloks.

The Baby Ewoks are scared and run off.

King Gorneesh and the Dulok Shaman laugh at what they have done.

Then the Duloks go home to their swamp.

Paploo signals the other Ewoks that it's time to go after the Duloks.

The Dulok Shaman and King Gorneesh hear the horn.

The Ewoks are off to get their soap back.

Wicket flies through the trees.

Wicket has taken the soap from King Gorneesh.

The Duloks chase Wicket.
He throws the soap to Paploo.

Latara and Kneesaa open the sacks full of bugs.
The bugs swarm over the Duloks.

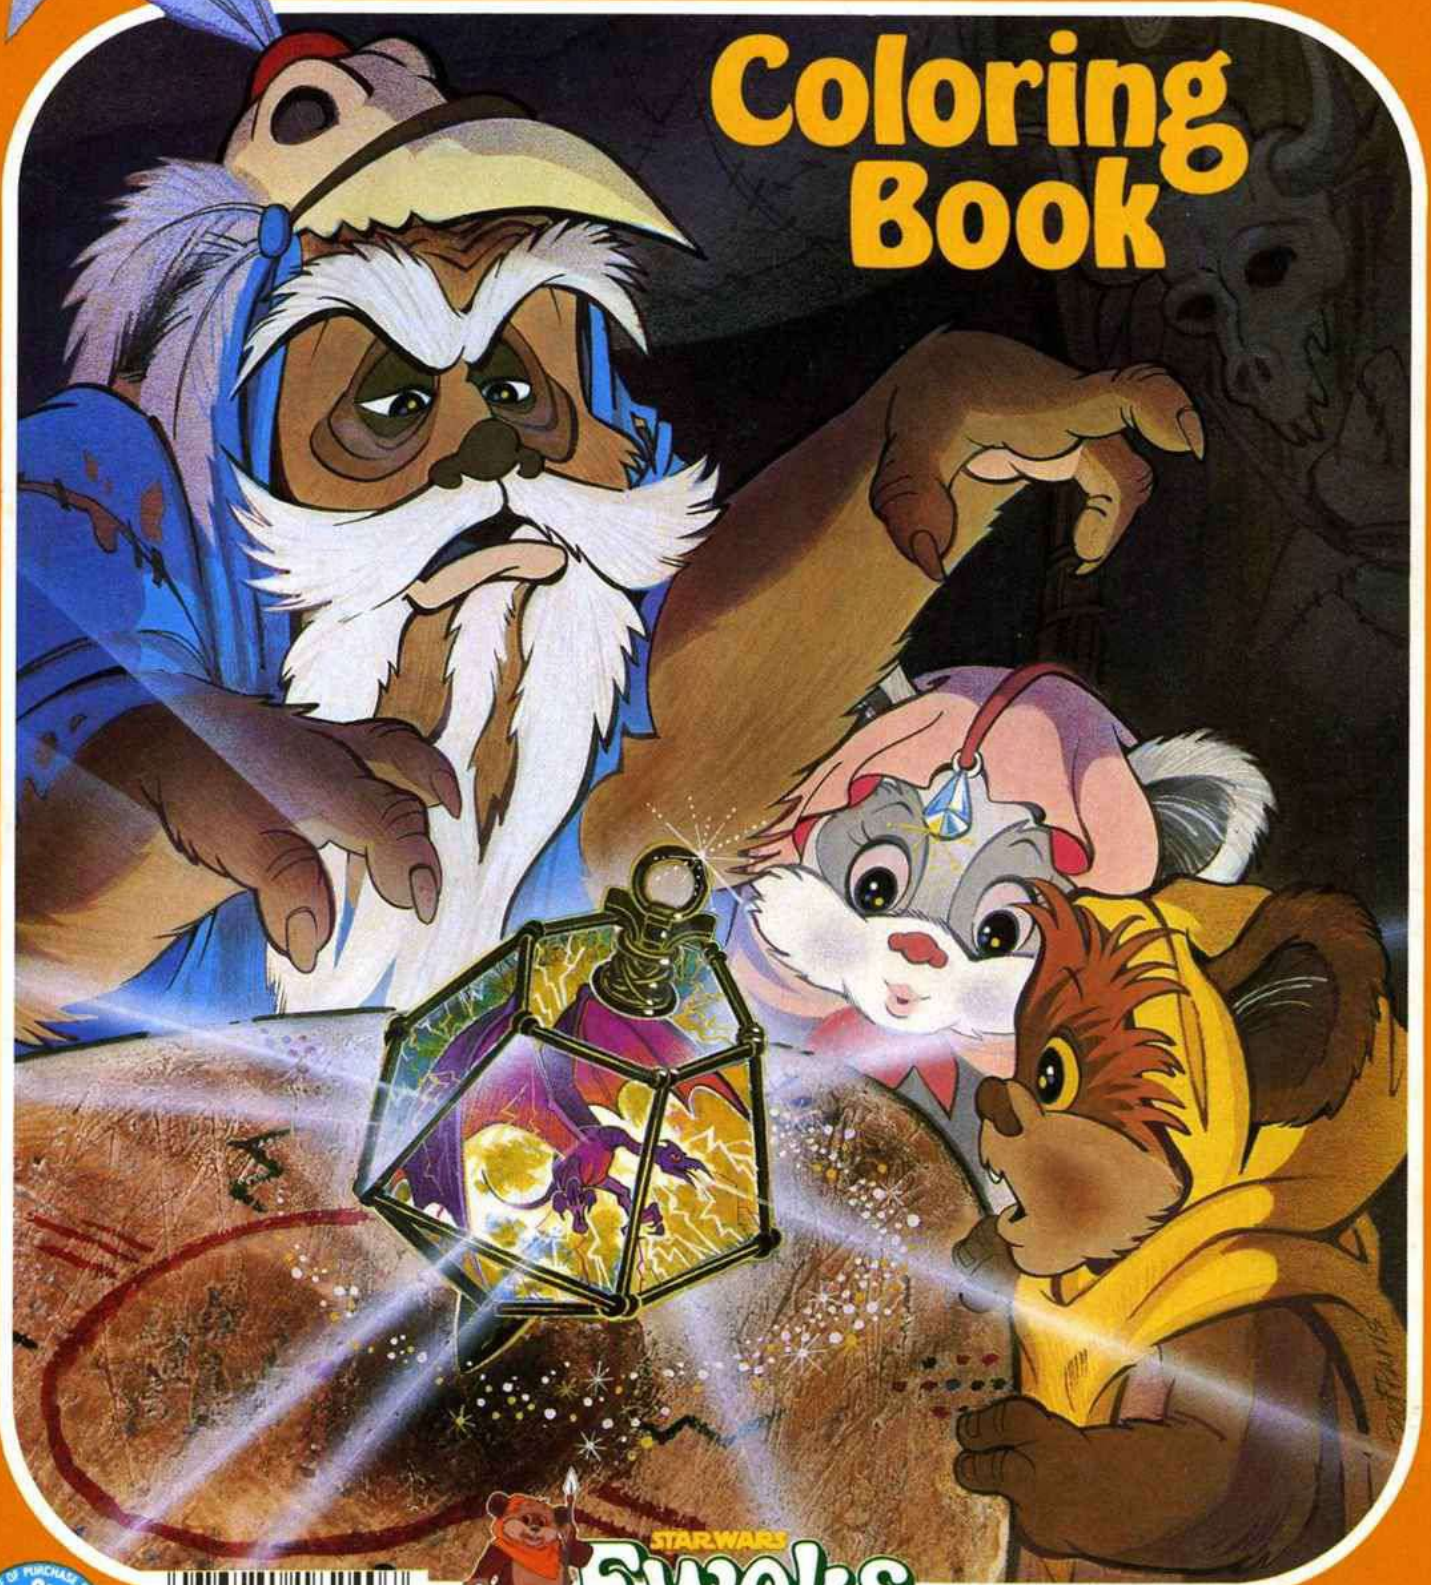

Ahhggh! Bugs! We've been tricked.

The Ewoks cheer and shout after defeating the Duloks.
With the magic soap saved, they can make the
Sunberry Trees invisible to the Mantigrue. Hooray!
